

CREATIVE SPORTS INFRA

BUILT FOR PERFORMANCE, DESIGNED TO LAST.

ABOUT US

CREATING SPORTS INFRASTRUCTURE

That Inspires Performance

Creative Sports Infra is a sports infrastructure company specializing in the design, supply, and execution of indoor and outdoor sports facilities.

With over 6 years of industry experience, we have successfully delivered projects for government departments, educational institutions, real estate developers, corporate organizations, and sports authorities across India.

From synthetic athletic tracks and basketball courts to complete sports facility development, our team provides end-to-end solutions backed by quality materials, technical expertise, and professional execution.

We also supply premium-grade raw materials used in sports flooring systems, ensuring reliable performance and long-term durability.

With a commitment to quality, technical excellence, and timely execution, we continue to contribute to the development of modern sports facilities across India.

CHILDRENS PLAYAREA

Creative Sports Infra designs and develops children's play areas that combine safety, durability, and engaging recreational experiences. Every play zone is carefully planned to maximize space utilization while creating a fun and stimulating environment for children of different age groups.

Our solutions include outdoor play equipment, safety surfacing, and customized layouts that complement the overall design and aesthetics of schools, residential communities, parks, and recreational facilities.

Safety remains at the core of every installation. We recommend high-quality EPDM safety flooring systems that provide excellent shock absorption, durability, & long-term performance, helping create secure play environments that meet international safety standards.

MULTI-PURPOSE COURTS

Creative Sports Infra specializes in the planning, design, and construction of multi-purpose sports courts that maximize available space while meeting performance, durability, and budget requirements.

Our experienced team works closely with clients to understand site conditions, intended usage, and project objectives, delivering customized court solutions for schools, colleges, residential developments, sports facilities, corporate campuses, and public spaces.

We offer a wide range of sports surface systems, including **Acrylic Flooring, Synthetic Sports Flooring, Artificial Grass, Synthetic Turf, PU Flooring, and PP Interlocking Tiles**, allowing multiple sporting activities to be accommodated within a single facility.

From concept and planning to execution and final handover, we provide complete turnkey solutions that combine functionality, aesthetics, & long-term performance.

SERVICES INCLUDE

- Site Assessment & Planning
- Court Design & Layout Development
- Surface Selection & Material Supply
- Construction & Installation
- Line Marking & Finishing
- Turnkey Project Execution

SQUASH COURT

Creative Sports Infra offers complete squash court design, construction, and installation solutions for sports complexes, clubs, educational institutions, fitness centers, and recreational facilities.

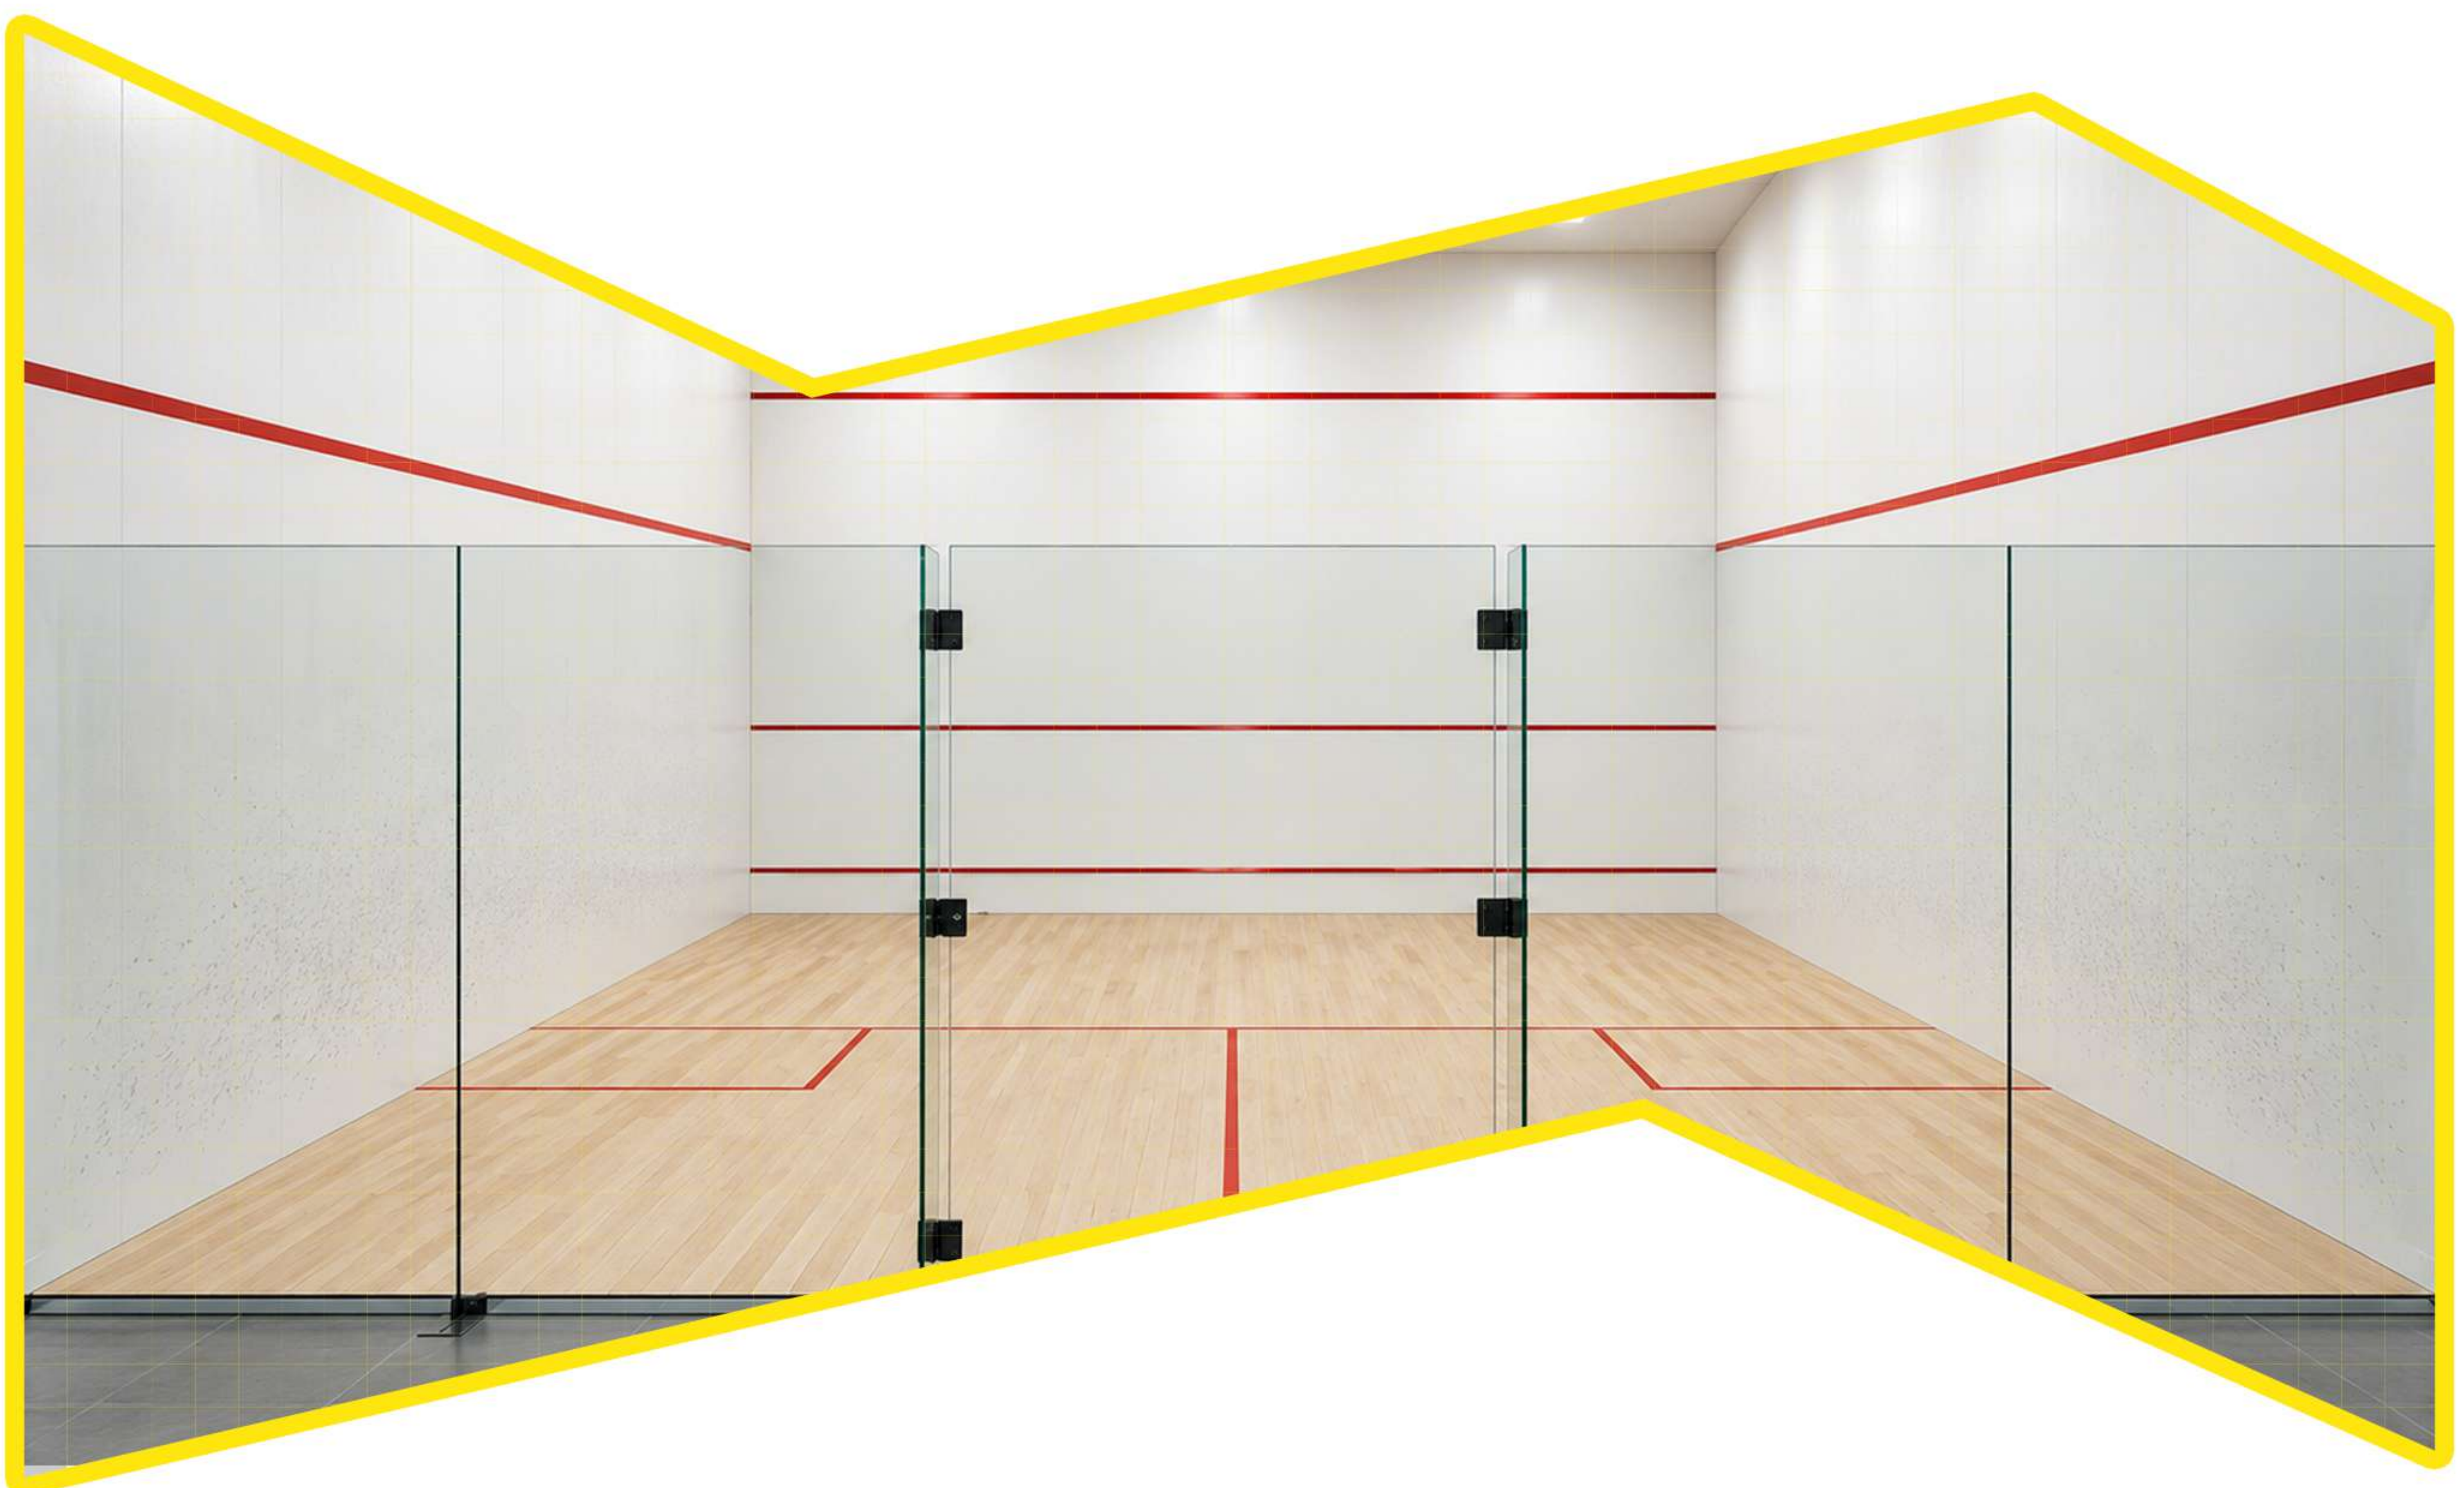

Every squash court is developed with careful attention to international standards, ensuring optimum playability, durability, safety, and aesthetics. From structural planning to final finishing, our team delivers turnkey solutions tailored to project requirements.

Our squash court systems incorporate premium-quality materials and specialized components, including squash court wall panels, glass fittings, tempered glass back walls, sound boards, court-grade paints, and high-performance wooden sports flooring.

With expertise in both new installations and facility upgrades, we create squash courts that deliver exceptional playing conditions and long-term reliability.

SERVICES INCLUDE

- Squash Court Planning & Design
- Squash Court Construction
- Squash Court Wall Panel Systems
- Tempered Glass Back Walls
- Glass Fittings & Accessories
- Sound Boards
- Professional Court Paint Systems
- Wooden Sports Flooring
- Turnkey Installation & Finishing

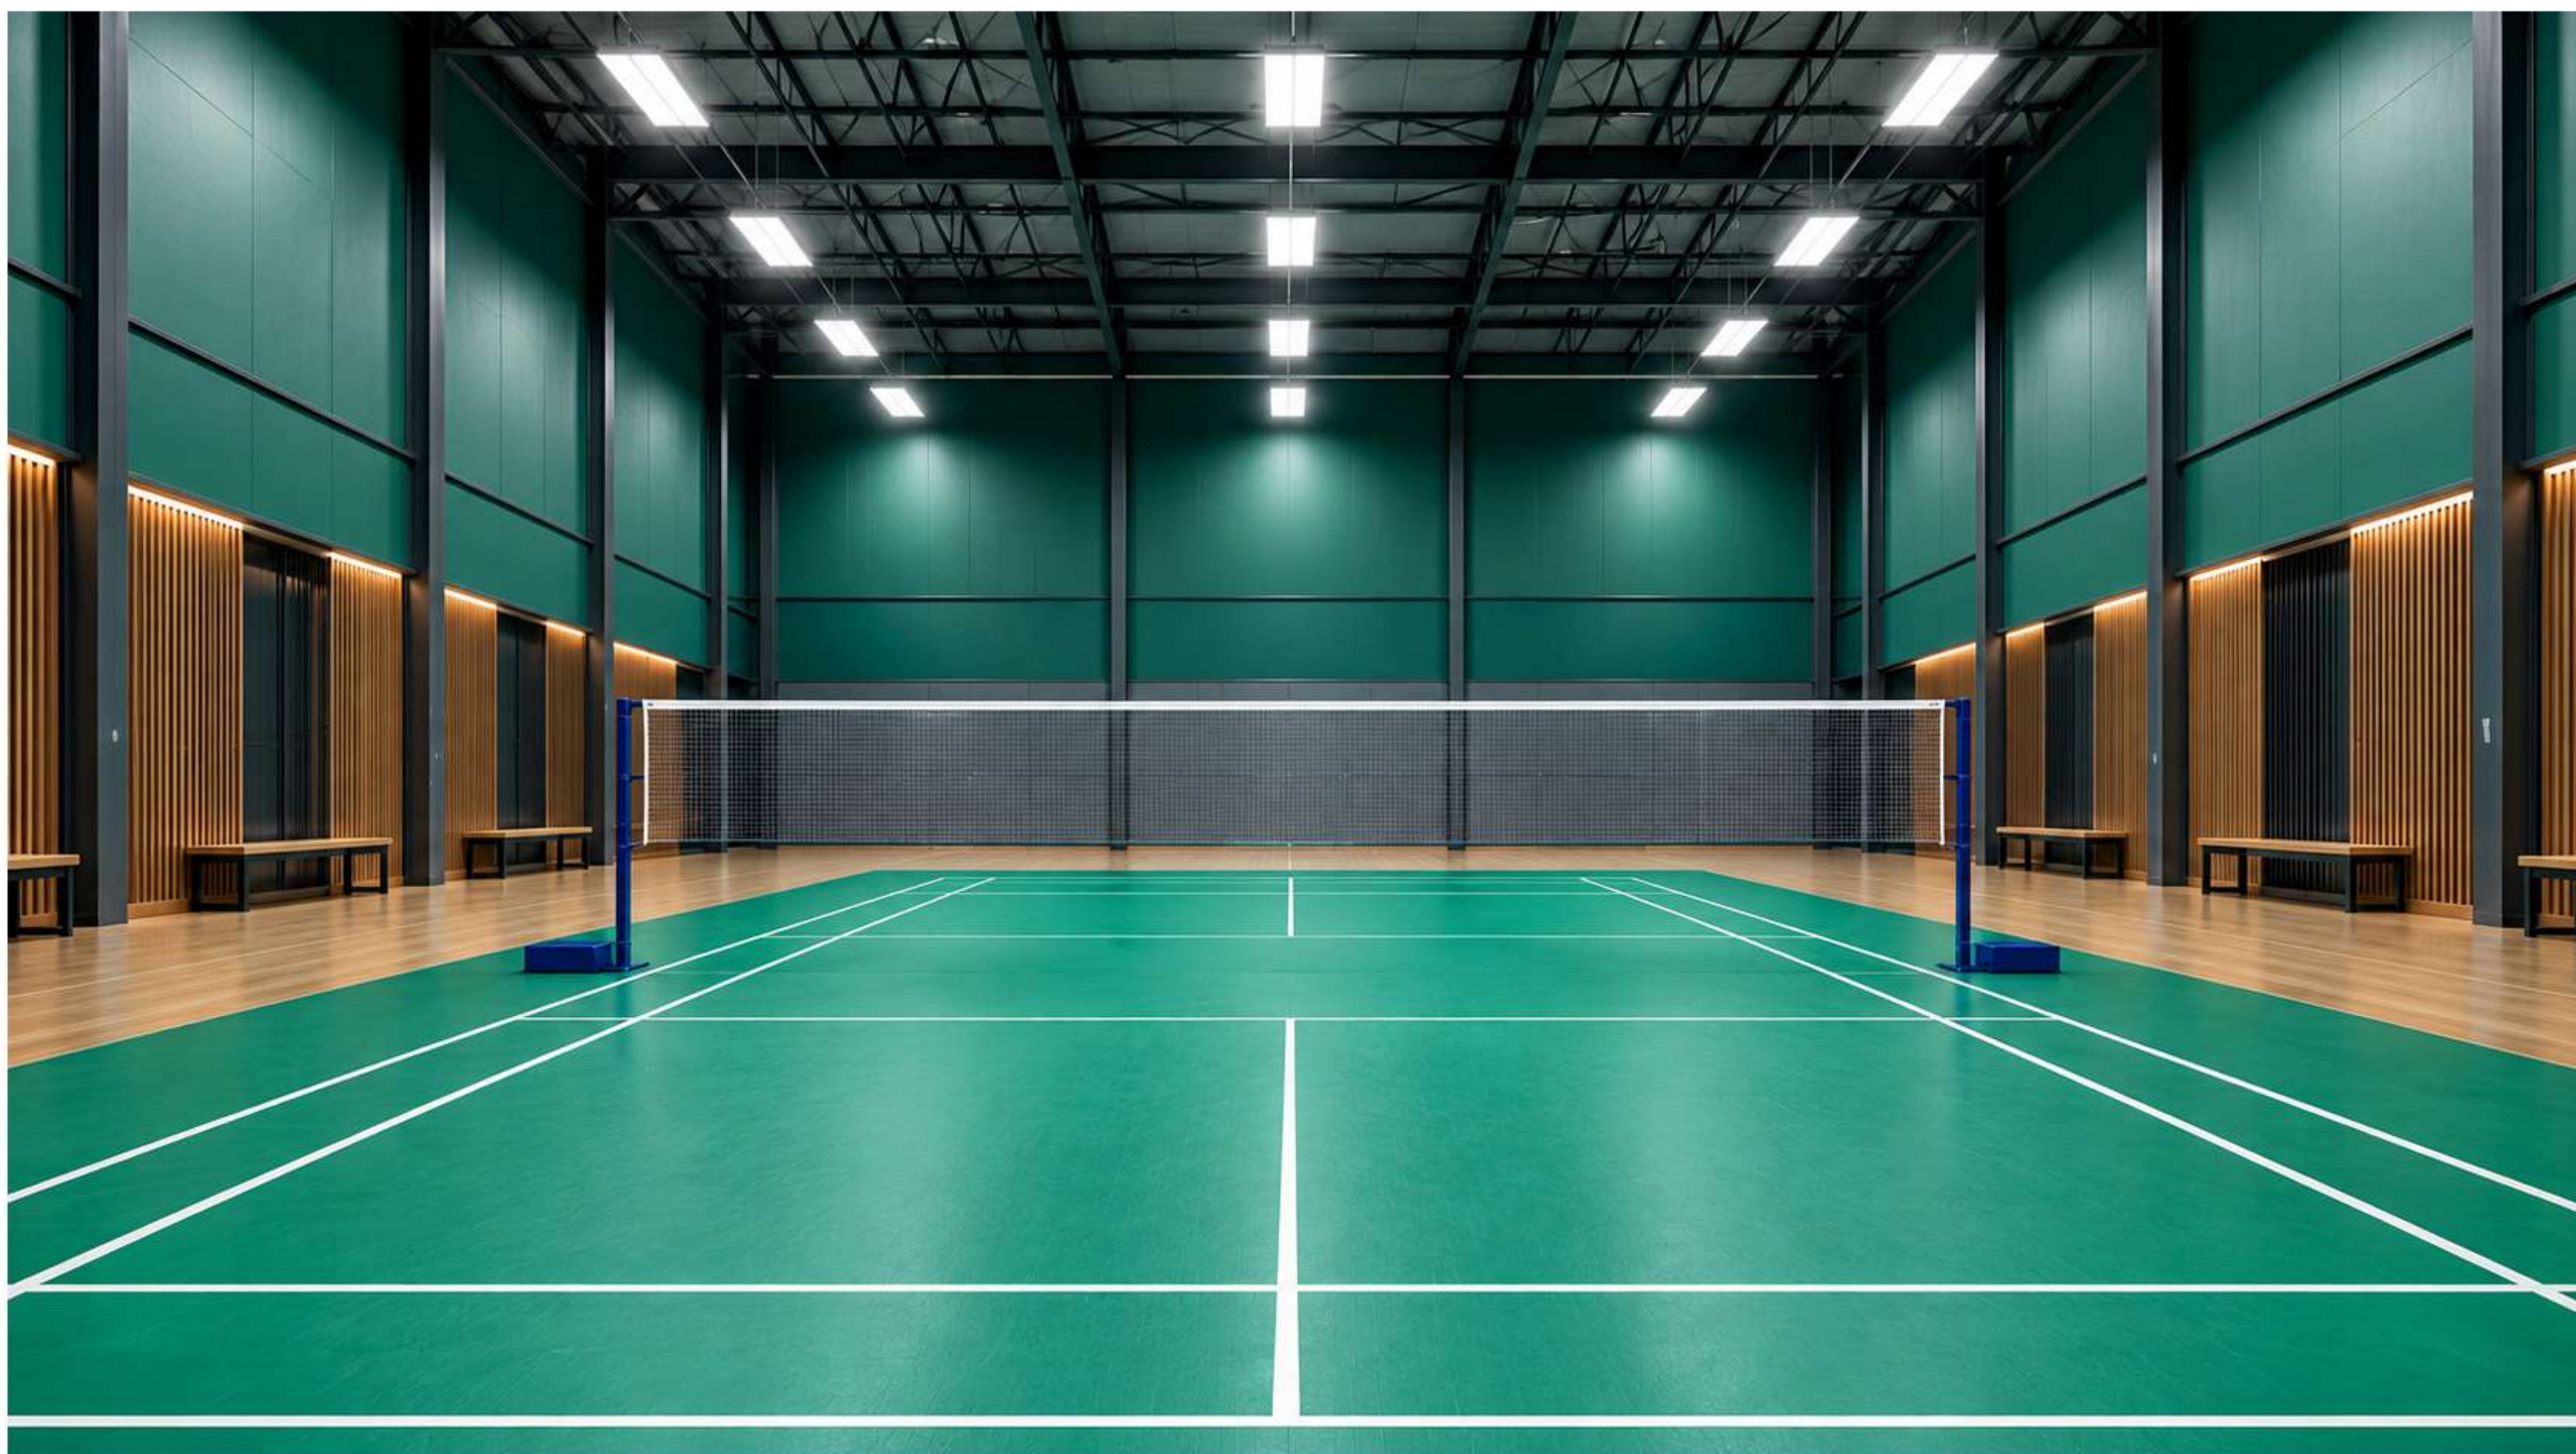

BADMINTON COURT

Creative Sports Infra provides complete badminton court construction solutions, from sports flooring and court development to lighting and finishing.

Our team handles the complete project under one roof, helping create well-planned badminton facilities for schools, colleges, sports academies, clubs, residential developments, corporate spaces, and institutional projects.

We offer suitable sports flooring systems along with professional sports lighting, court line marking, and related infrastructure to deliver a complete, functional, and performance-focused badminton facility.

SERVICES INCLUDE

- Badminton Court Construction
- Sports Flooring Systems
- Court Line Marking
- Sports Lighting
- Indoor Sports Infrastructure
- Complete Turnkey Execution

BASKETBALL COURT

Creative Sports Infra provides complete basketball court design and construction solutions, covering the project from the base preparation through to the final sports surface and supporting infrastructure.

Our team works on high-quality sports facilities with carefully planned court surfaces, fencing, sports lighting, and drainage systems to create functional, durable, and performance-focused basketball spaces.

From groundwork to finishing, we manage the key stages of construction under one roof, delivering solutions suited to schools, institutions, sports facilities, residential developments, and corporate projects.

SERVICES INCLUDE

- Court Base Preparation & Construction
- Synthetic Sports Flooring
- Court Fencing
- Sports Lighting
- Drainage Systems
- Court Line Marking
- Complete Installation & Finishing

FOOTBALL GROUND

Creative Sports Infra provides complete solutions for the development of football grounds and futsal courts, from initial groundwork to the final playing surface. With expertise in both natural grass and artificial turf systems, we develop sports facilities designed for durability, performance, and regular use.

Our solutions cover the complete facility, **including base preparation, natural grass football pitches, artificial turf, 5-a-side and 7-a-side futsal courts, fencing, sports lighting, and finishing works.**

From schools and sports academies to government and private projects, we manage the complete execution under one roof, ensuring a well-planned and professionally finished sports facility.

SERVICES INCLUDE

- Football Grounds
- Natural Grass Football Pitches
- Artificial Football Turf
- 5-a-Side Futsal Courts
- 7-a-Side Futsal Courts
- Turf Installation
- Court & Ground Fencing
- Sports Lighting
- Base Preparation & Civil Works
- Complete Turnkey Execution

TENIS COURT

Creative Sports Infra provides complete solutions for tennis court construction and sports flooring, delivering professionally planned and built facilities for schools, institutions, sports clubs, residential developments, and private projects.

Our turnkey solutions cover the complete process — from base preparation and asphalt construction to synthetic sports flooring, court fencing, lighting, and finishing works. Every stage is managed with attention to quality, durability, playability, and long-term performance.

SERVICES INCLUDE

- Tennis Court Construction
- Asphalt Base Preparation
- Synthetic Tennis Court Flooring
- Court Fencing
- Sports Lighting
- Line Marking
- Surface Installation
- Complete Turnkey Execution

SPORTS FLOORING MATERIALS

We supply a comprehensive range of sports flooring materials used in professional sports infrastructure projects throughout India.

EPDM Granules

UV resistant, long-lasting colour and superior performance

Polyurethane Systems

High durability & excellent shock absorption

PU Binders

Strong bonding for long-lasting surfaces.

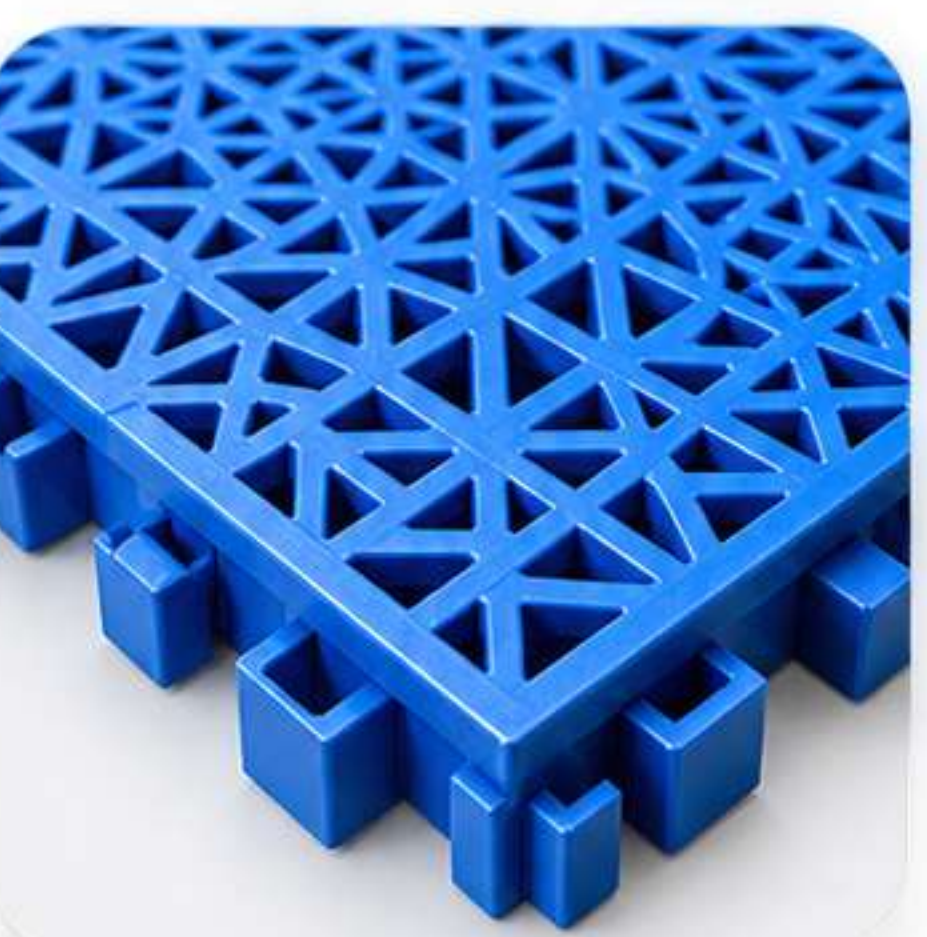

Acrylic Sports Coating Materials

Cost-effective, versatile and weather resistant

Wooden Sports Coating Materials

Premium indoor flooring for high performance

PP Interlocking Sports Tiles

Easy installation, low maintenance and multi-sport use

OUR APPROACH

1. CONSULTATION

Understanding your objectives, site conditions, intended use, and performance requirements.

2. PLANNING & DESIGN

Developing practical and efficient designs with the right materials, technologies & technical specifications.

3. EXECUTION

Professional installation using quality materials and strict supervision, ensuring international standards.

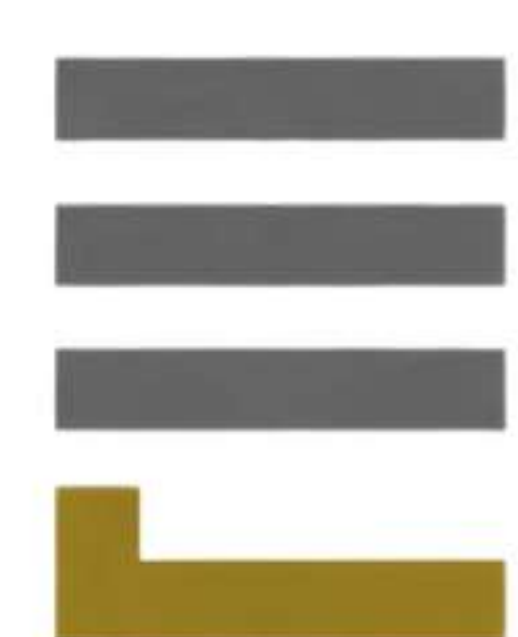

4. COMPLETION & HANDOVER

Rigorous testing, quality checks, and final handover to ensure the project is ready for long-term use.

5. SUPPORT

Ongoing maintenance guidance and after-sales support for continued performance.
